

I am Christopher Abernathy and I am a recent graduate from Jacksonville State University in nearby Jacksonville, AL, with a Bachelor of Science degree in Biology. I am originally from Jacksonville and now reside in Golden Springs. I am a Fall 2016 initiate of the Xi Xi Chapter of Alpha Phi Alpha Fraternity, Inc., seated at Jacksonville State, where I served as secretary for three years. I am a proud father of a very bright little boy, and my interests include but are not limited to writing, investing, and studying/betterment of social interactions.
